ITASPA - Rules & Regulations

Applicants need to fill up the admission form, supplying all the indicated details;

Whereas the minimum age for those opting for full-time programmes is 16 years, for part-time courses or those specially designed for certain groups, this qualification can be relaxed;

Together with the filled up application form, a student is expected to attach his proof of age;

ITASPA has a zero tolerance policy towards ragging and other undesirable activities on the part of students;

The School would at all times maintain a friendly yet decent code of discipline (involving, regularity in attendance, punctuality, gender sensitivity etc). Aberrations will not be condoned); and

All successful applicants are expected to join the advertised programmes on indicated due dates. Relaxation will be given only in exceptional cases at the discretion of the School authorities.

Fees/Advance once paid will not be refunded or adjusted in any way whatsoever, under any circumstances'.

Declaration

I have read through and understood the instructions, rules and regulations governing my/my ward's (in case of students below the age of 16) admission to ITA School, and hereby undertake to ensure their complete compliance.
